

Applying for ER:LC Billboards Jobs – Simpler Than You Think!

We get it — our official job application portal might look a little complicated at first. But don't worry, applying is actually super simple. Here's the quick rundown:

All ER:LC Billboards needs from you is:

- Your **name**
- Your **email**
- A short **CSV (Curriculum Summary Value)** — this doesn't have to be a full resume or portfolio. Just a brief description about yourself or your skills is more than enough!

Everything else? You can mark it as **N/A, Not Required**, or simply leave a note indicating it's not applicable. **Since our job portal is imported, we unfortunately can't remove those extra fields — but you're not expected to fill them out to apply.**

To make things even easier, just use the links below to decide where you want to apply:

- **Staff Team** jobs — [click here to view and apply](#)
- **Development Team** jobs — [click here to view and apply](#)

We've simplified the process so you can get started right away. Good luck, and we're excited to see your application!
